RELATING TO: Anchoring and Securing Movable Soccer Goals

☒ Final regulatory flexibility analysis not required. (Statement of determination required.)

Pursuant to s. 227.19 (3m), Stats., the Department of Commerce has determined that the proposed rules under Chapter Comm 9 will not have a significant impact on a substantial number of small businesses. The Department does not believe the rules will increase the effect on small businesses more than that imposed by the Act. The Department did not receive any comments by individuals indicating that they represented a small business.

Reason for including or failing to include the following methods for reducing impact of the rule on small businesses: Less stringent compliance or reporting requirements; less stringent schedules or deadlines for compliance or reporting requirements; simplification of compliance or reporting requirements; establishment of performance standards to replace design or operational standards; exemption from any or all requirements.
